Greetings Mustangs,

For safety reasons, students have 3 options (clear backpack, trapper keeper with zipper and carrying strap, or a mesh backpack) for carrying their belongings from class to class. This went into effect during the 2019-2020 school year.

Some or all of these items can be found at Shoe Carnival, Walmart, Academy, Amazon, etc.

Teachers may have a few specific items required for class. Below is a general supply list:
