

# The Mustang Messenger

## Mustang Teachers are Ready!

Principal's Message

Our teachers have worked tirelessly to prepare for the return of our students. However, on August 2nd, all of the YMS teachers and staff attended the Douglas County School System Launch Party. We showed a tremendous amount of Mustang pride! It was an inspirational event. We are excited and ready for the first day of school. See you soon!

~Ms. Stefanie Stinchcomb

## Exciting Changes at YMS!

Get ready for a great year!

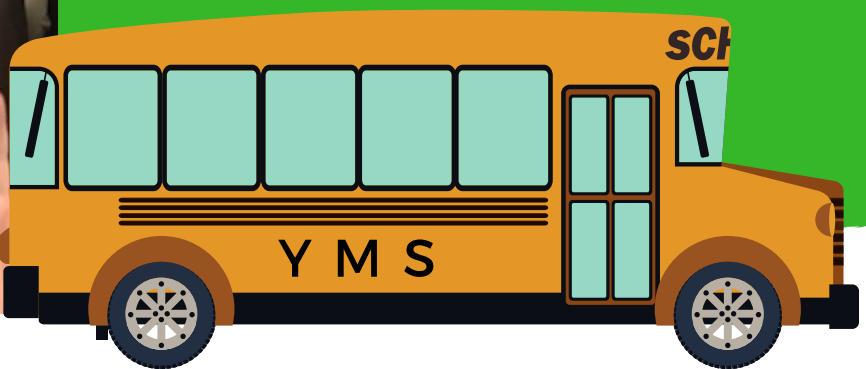

Yeager is moving to a block schedule this year. We are changing from a seven period day to a six period day. English and reading classes are being combined into one class. In addition, all core content classes will be about 72 minutes and will embed a literacy component each period. Also, our connections classes will include a STEM course this year. STEM will include Robotics and Coding for most grade levels.

When you walk into Yeager, you will also see a few amazing changes. Our halls have been painted and our entrance foyer has had an upgrade. Please come and visit! We would love to see you anytime.

**FREE breakfast for ALL YMS students this year!**  
**FREE student agendas this year!**

## Meet an Addition to the YMS Administrative Team

Ms. Stinchcomb, YMS principal, and Mr. Thorne, YMS assistant principal, would like to introduce the new addition to our administrative team!

We are excited to welcome Ms. Felicia Jones as an additional Assistant Principal to YMS!

Ms. Jones comes to Yeager with prior teaching, academic coaching, and administrative experience. We are excited to welcome her and look forward to her expertise in many areas!

**WELCOME TO OUR NEW  
ASSISTANT PRINCIPAL,  
MS. FELICIA JONES!**
